Re: Case CGB-CC-0096

Dear FCC and/or Mr. Joel Gurin,

Please let this letter serve as our **petition for exemption from closed captioning** rules for **Thy Kingdom Come**, a 30-min non-commercial, non-sponsored broadcast. As stated in our first petition, six years ago, it is our desire to provide closed captioning for our viewers, yet it is **not economically possible at this time** (see enclosed). If our petition for exemption is not granted, it is clear we will be forced to stop airing our programming.

Your consideration, as always but especially at this time, will be greatly appreciated!

In our first petition we expressed the hope and belief that providing closed captioning was within our reach in a few years. However, we had no way of knowing the state of the economy would change drastically for the worst, shortly after filing that first petition. Being a non-for-profit organization we rely solely on donations and volunteers and needless to say both these area are in decline. Thanks.

Pastor

PETITION: EXEMPTION CLOSED CAPTIONING

SUPPORTING DOCUMENTS

1. WEEKLY COLLECTIONS (4)
2. CLOSED CAPTIONING COSTS
3. WMCN REQUEST
4. *Please find documentation to support our dire need for a continued exemption from the closed captioning regulation. When we first filed our petition in 2005 we aired on 4 broadcast channels; KDOC (CA), WJYS (IL), WBNX (OH) & WTVE (PA). However, due to the state of our economy, we now only air on 1 station, WMCN (PA) and If our exemption is not granted, we will be forced off the air here too. Again your consideration in this matter will be greatly appreciated.*
